Discover 1000's of New Authors in Hundreds of Categories Fiction and Non-Fiction --- Free Every Month! by Dennis in Free Previews A colleague and I were discussing "leadership" and what that truly meant. We came up with this analogy, which I hope you'll enjoy. Moving rocks for a living? I... A colleague and I were discussing "leadership" and what that truly meant. We came up with this analogy, which I hope you'll enjoy. Moving rocks for a living? Imagine you move rocks for a living. The more rocks you move, the more you're paid. You don't move rocks, you don't get paid. Thus, you understand the direct linkage between putting in time and compensation. This is the hourly wage model- some rock movers get paid more than others, whether flipping burgers, working in a big corporation, or drilling teeth. The more teeth you can drill, the more you're paid. Are you a corporate wage slave or someone who is paid piecemeal? This was me for twenty years of my life- a prostitute selling my time for money. Whether I billed \$5 per hour or \$250- it was the same thing. Formats: PDF by Dan Wheatcroft in Mystery Almost a decade after finding himself working for a shadowy Government department, ex-Detective John Gallagher is sent on a task that will become his most tes... Almost a decade after finding himself working for a shadowy Government department, ex-Detective John Gallagher is sent on a task that will become his most testing yet. Armed only with a two inch revolver, 12 bullets, some cryptic clues and a sense of humour, his mission is to assist a high ranking East German foreign intelligence operative to defect to the West. Formats: PDF, Epub, Kindle, TXT by Dennis in Free Previews If you want people to engage your business or your brand, you have to start investing in the currency of digital platforms, attention. People are trading hour... If you want people to engage your business or your brand, you have to start investing in the currency of digital platforms, attention. People are trading hours of their day scrolling through Facebook and you have to fight for every bit of attention you can get. The easiest way to get people's attention is through video. Especially one minute videos. No one is going to watch a 3 minute video if they don't know who you are. Attention spans on social channels are brief. The average watch time for a video on Facebook is only 6 seconds. You must learn to grab their attention quickly and pull them into the story you are trying to tell. Formats: PDF by Michel Poulin in Sci-fi Fantasy 'A NEW ERA' is the seventh novel in the Kostroma Series, continuing the adventures in Space of Tina Forster and of her mighty cargo ship NOSTROMO. While the threat from the carnivorous aliens called 'Space Predators' has apparently receded, Tina now has to deal with the growing racism shown towards her sentient security androids. Then, a nightmare will come back to haunt Humanity. Formats: PDF, Epub, Kindle, TXT by Patrick Quinlan in Sci-fi Fantasy What if you could be immortal? And what if the price was to give up everything first, including your very life? Robotics engineer Susan Jones has discovered t... What if you could be immortal? And what if the price was to give up everything first, including your very life? Robotics engineer Susan Jones has discovered the key to immortality - downloading human awareness into intelligent machines. About to be murdered for her secret, she downloads herself into the most intelligent machine available - Sexbot Number 9, the world's most advanced sex toy. On the run, both alive and dead, Susan Jones, now Number 9, sets off to solve and avenge her own murder. Sexbot is a fast-paced, sexy, pedal to the metal thriller, with twists, turns and surprises galore. Patrick Quinlan is the LA Times and USA Today-bestselling author of many books, including thrillers written under his own name and two others. Read More A great book should leave you with many experiences, and slightly exhausted at the end. You live several lives while reading. Read More Here's what Sam knows: There was a party. There was a fight. The next morning, his best friend, Hayden, was dead. And all he left Sam was a playlist of songs, and a suicide note. For Sam â€ listen and you'll understand. Here's what Sam knows: There was a party. There was a fight. The next morning, his best friend, Hayden, was dead. And all he left Sam was a playlist of songs, and a suicide note. For Sam â€ listen and you'll understand. As he listens to song after song, Sam tries to face up to what happened the night Hayden killed himself. But it's only by taking out his earbuds and opening his eyes to the people around him that he will finally be able to piece together his best friendâ€™s story. And maybe have a chance to change his own. Part mystery, part love story, and part coming-of-age tale in the vein of Stephen Chboskyâ€™s The Perks of Being a Wallflower, Playlist for the Dead is an honest and gut-wrenching first novel about loss, rage, what it feels like to outgrow a friendship that's always defined you â€ and the struggle to redefine yourself. Part mystery, part love story, and part coming-of-age tale in the vein of The Perks of Being a Wallflower and The Spectacular Now. There was a party. There was a fight. The next morning, Sam's best friend, Hayden, was dead. And all he left Sam was a playlist of songs and a suicide note. For Sam—listen and you'll understand. To figure out what happened, Sam has to rely on the playlist and his own memory. But the more he listens, the more he realizes that his memory isn't as reliable as he thought. And it might only be by taking out his earbuds and opening his eyes to the people around him that he'll finally be able to piece together his best friend's story. And maybe have a chance to change his own. Playlist for the Dead is an honest and gut-wrenching first novel about loss, rage, what it feels like to outgrow a friendship that's always defined you—and the struggle to redefine yourself. But above all, it's about finding hope when hope seems like the hardest thing to find. SORRY BUT NO, NO, NO, NO —Originally posted at Geeky Chiquitas This book compares itself to Stephen Chbosky's The Perks of Being a Wallflower and Tim Tharp's The Spectacular Now. These are really big claims, and I was at first skeptical, naturally, but in the end I decided to give this a try. While I did not exactly like The Spectacular Now all that much, I did adore Perks a lot, and so I had great expectations for this book. Sadly, it was so different from what I expected and I'm really really disappointed with how this book turned out. It's sad because there isn't really anything in particular that I would want to point out or rant about with this book. I just felt so unattached to it, and the whole time I was reading this I just had this meh look on my face, like I totally did not care for the characters or the story at all. This book could have had really great potential but it so lacks the emotional depth that I was looking for. For a story that tackles themes of death, suicide and love, it really fell short for me. From the title, I honestly thought that this book would center and revolve a lot on music as a clue to find out why Hayden killed himself. However, the music plays such an insubstantial role, if it has any role at all, and we find out in the end that the playlist doesn't actually have anything to do with Hayden's death. Really? So what was the point of the whole playlist anyway? And why do they make it out like it's such a big deal, by putting Playlist on the title? And it's not even for the dead anyway, it's just supposedly a playlist that explains Hayden's decision to kill himself - and then it actually doesn't. So what gives? There are also a lot of storylines opened - a romance storyline, a mystery storyline, a coming-of-age storyline but they all remain messy and unresolved in the ending. The romance is a bit unnecessary and random for me, like I was okay with it, but I didn't really care about it all that much, and I didn't know what it's supposed to contribute to the overall plot. The mystery part is so strange and weird and all the paranormal ghost elements that are introduced at the beginning go nowhere and simply brushed off as Sam's imagination or something, in the end. Hayden's reason for killing himself is never really discussed, and I find this a big problem. I have no problem with how the book portrays romantic relationships as this big life pursuit that is worth killing yourself for, but I needed an explanation or at least, a discussion, because this is pretty serious thing, and putting this in a novel entails some responsibility to the readers to at least clear up some of these issues. What sucks about this book and why I'm only giving it one star is because I was kinda excited about it, and then I read it, and I wasn't anymore. I don't really care much for the story or the characters, and that's why this has a lower rating than other books that I hated, like really hated, because at least for those, I actually felt something for the book and had something ranty to say - but for this one, I'm literally at loss for words because that's how much this book didn't impact me. ...more
